The Florida Ski Council promotes and represents the Ski Clubs of Florida to the resorts each year taking thousands of Floridians to the slopes. Come join us as we head to Beautiful Steamboat Springs, CO for a week of skiing and fun events like "Casino Night" and "Where's the Cowboy?" just to name a few events planned for the Florida Ski Council Clubs. So go ahead and fill out your Trip Application and send your deposit to hold your spot while we work on the rest of the trip details. We have a limited number of spots on this trip and I know 2018 seems far away, but our trips sell out fast and you don't want to miss out.

Steamboat Ski Resort, located just outside of Steamboat Springs, Colorado, is a premier ski destination famous for its Champagne Powder®. The resort is situated across seven mountain peaks within the Park Range and overlooks the Yampa Valley. The area has a rich western heritage and is one of the largest ski resorts in Colorado. Steamboat Springs has been dubbed Ski Town, U.S.A. due to the fact that more Olympians call Steamboat home than any other ski resort. Spectacular trails, breathtaking vistas, and west-facing slopes that catch the sun are all part of the picture on Steamboat's Mt. Werner. There are more than 2,900 acres of skiable terrain and trails to choose from, including wide open meadows and Steamboat's challenging tree skiing...something for everyone from novice to intermediate to expert skier. With 18 lifts providing access to over 160 runs ranging from 14% Beginner, 42% Intermediate, 44% Advanced, and 5 Terrain Parks with the longest Run being 3 miles long you are sure to find something that suites your skiing ability. Steamboat is more than just skiing and riding. Immerse yourself in western heritage with horseback rides, snowmobiling, sleigh ride dinners, hot springs, spa services and more. Whether summer or winter, there's no shortage of activities available for those looking to experience the playground wonderland that is Steamboat Springs, Colorado.

We will be staying in 2 and 3 bedroom condos at Chateau Chamonix which offers premier ski-in/ski-out accommodations ideally suited for a ski vacation in Steamboat Springs. Situated right on the slopes of the Steamboat Ski Area, near Gondola Square at the base of Mt. Werner, Chateau Chamonix offers the ultimate in convenience to skiing, riding, restaurants and nightlife. Every morning throughout ski season, start your day with complimentary hot coffee, cocoa and doughnuts at the front desk before heading out the door to the ski slopes. After your final run, ski in to Chateau Chamonix from the Stampede Trail and enjoy complimentary on-slope ski valet service and storage. When you are ready to ski the next morning ski valet will have your skis ready and waiting for you on the slopes; talk about service! Off the slopes, you can enjoy resort-style amenities at Chateau Chamonix like an indoor/outdoor heated pool, two outdoor

hot tubs, a sauna and an exercise room. When you're ready to explore more of Steamboat, the winter shuttle services will take you downtown for even more shopping, dining and après-ski entertainment options.
