Come Ski With Us.....

CRESTED BUTTE MOUNTAIN RESORT is a different kind of place. As ski towns go, there's nowhere else like it, anywhere. It's not only the solitary beauty that sets the mountain apart, but also its very nature that speaks to the heart of the skier in you. Surrounded by National Forest land, Crested Butte is surrounded by spectacular panoramic views of the Elk Mountains, Ruby Range, West Elks and the Maroon Bells/Snowmass Wilderness. More than 1,547 acres and 2,775 vertical feet (lift served). The mountain is 16% expert, 57% intermediate and 27% beginner. There is a free shuttle bus that runs from the mountain resort to the city of Crested Butte about every 15 minutes from morning till late at night. You will not need a car at this town since we will be staying in the heart of the Mountain Village.

LODGING – (1) The Grand Lodge, the best location in town; 25 yards to slopes on heated sidewalk. The Emmons Studio Suite is equipped with a king bed, full bathroom, and a second king-sized Murphy bed. The Emmons Studio Suites have kitchenettes with a microwave, dishwasher, sink, refrigerator, one burner stove, and dishes. The Grand Lodge Hotel has a Pool, Hot Tub, Gym, Restaurant & Bar.

(2) Plaza Condos, convenient location just 100 yards from the ski area's main lift, the Silver Queen. In one short walk, you can hit the slopes or take in the action at the base area of Crested Butte Mountain Resort. Plaza Condos are also unique for its condominium setting with hotel style services, a restaurant and bar, daily housekeeping services, covered parking and two hot tubs.
