

Telluride, Colorado

JAN. 21 - 28, 2017

Telluride Ski Resort and Mountain Village is perched in the heart of the San Juan Mountains. The 360 degree view of the towering mountainscapes will take your breath away. Not only does it offer 2300 skiable acres with 18 chair lifts, 2 gondolas, 2 magic carpets and 2 surface lifts, but the Lift lines wait is minimal. Terrain is 23% beginner which includes the 4.6 mile Galloping Goose run, 38% intermediate with the 3 mile long See Forever run which offers a panoramic view of the Utah Mountains and 38% expert with runs like Spiral Stairs and The Plunge that will drop you into the town of Telluride with a vertical drop of 4,425 feet. This is a mountain that you will always want to go back to, the way I have done time after time since 1975. You will get it when you take the Mountain Tour.

Accommodations will be at the Ice House Lodge and its upscale sister, the Camel's Garden. These southwest properties have indoor/outdoor pools, hot tubs, a steam room, and open spaces such as the game rooms, lounge areas and Rico's and the Oak's Bars. I am planning several happy hours at both locations. In the morning the group can meet for a Cont. breakfast that serves salmon and discuss your ski plans. These properties are the best locations in town. No hotel in the world is closer to a ski lift than the Camel's Garden. It is 15 yds to the town lift and the gondola. The Icehouse is about 100 yds to the gondola. The gondola will drop you off at the slope mid mountain or take you to the Mountain Village. You do not need a car because the Old Town of Telluride is right out your front door. You have the convenience of walking to the grocery store or shopping and eating in this beautiful old Victorian town. You are a block from Telluride's five finest restaurants making it a truly a unique location. Ski rental discounts available at Telluride Sports located in the Camel's Garden. Both the Icehouse/Camel's Garden have free ski valet/ locker room services. You can ski right to the door of the Camel's Garden locker room. This is a hassle free ski trip. I will make transportation arrangements from Beaver Creek and to Crested Butte.
