Initial specializing in college winter break trips, SAT has grown to be one of the largest Winter Tour Operators in the nation. Over the past decade, dedicating much attention to the councils nation-wide. SAT has a golden reputation among councils & vendors alike - operating under the motto "we get it done!" David Johnson
Outdoor Logic Solutions

I had retired To Bend, Oregon from San Antonio, Texas, after a varied career involving Oil and Gas exploration, Real estate development, manufacturing, and Amateur Sports entertainment. I hadn't skied in 30 years and decided to begin again on Mt Bachelor in Bend. After a wonderful day of skiing I was faced with taking my ski boots off. I found this very frustrating, not nearly as easy as it was when I was 33, hence the invention of the DeBooter (Ski Boot Jack) and the end of my full retirement.
